† MEJ. BASSON

Die 30ste Januarie 1973 het Marie Basson ons ontval. Reeds in 1944 het sy 'n lid van ons personeel geword. Sy het by ons gebly en aan die ontwikkeling van ons skool deel gehad tot sy in 1968 afgetree het.

Dit was vir ons 'n onverwagte tyding toe ons verneem dat ons kollega-onderwyseres, vriendin, Marie Basson, heengegaan het. Daar was nie die geleentheid om haar vir oulaas te groet of te bedank vir wat sy vir ons beteken het nie. Miskien wou sy dit juis so gehad het, wou sy stil gaan sonder om vir ander moeite aan te doen. Nooit het sy aandag op haarself probeer vestig nie, maar in stilte het sy pligsgetrou haar weg gegaan.

Sy was vir ons 'n ware staatmaker. Sy het deeglike, bekwame onderrig aan groot klasse gegee en uitstekende werk met sportafrigting en atletiekbeoordeling verrig. Steeds het sy hulp gelewer met wat maar ook in die skool se belange geraak het. Ook nog na haar aftrede het sy herhaaldelik die skool kom help.

Haar diepe nederigheid, haar toewyding en liefde, die stille krag wat van haar uitgegaan het - ons het dit ervaar. Ons waardeer haar daarvoor en vir haar opregtheid getrouheid en vriendskap

Die leerlinge het van haar gehou. Haar invloed werk in die lewe van honderde van hulle [illegible] voort. Ook ons skool kan sê: sy het nie verniet gelewe nie, ons is dankbaar oor die gawe wat sy vir ons was, ons is bly dat ons aan haar kan bly dink.

Die Hoërskool Maitland

uitgawe op aan wyle

Hierdie jaar het die prefekte hulle taak weer met groot ywer aangepak maar gevind dat dieselfde probleme van 1960 nog steeds by ons leerlinge was, naamlik die ongehoorsaamheid van leerlinge teenoor prefekte.

This we found very disturbing and we had to put quite a lot of names down for detention. This caused a very full detention room. I am glad to say that it has improved but the pupils still take too long to change between periods.

Ons het gevind dat te veel kinders gereeld die detensie kamer besoek en daarom het die prefekte onder lyding van Mnr van Rooyen op 'n strafhof besluit wat die kinders sal oordeel en indien ons vind dat die leerling geen verskoning het nie, hy of sy dan paslik gestraf sal word.

Due to the fact that the boys and girls just went to the reading room to talk to each other we decided to separate them. The boys will go in one break while the girls will go in the other.

Ons wil ook graag sien dat dit baie stiller gaan by die winkeltjie. Die algemene netheid in die skool is goed maar die seuns neig om hulle hare langer te laat groei teen die einde van die kwartaal. Ons wil dit nie sien nie. Daar is 'n paar meisies wie se rokke 'n bietjie te kort is.

We are looking forward to the rest of the year and hope that we will have the co-operation of all.

Wynand and Suzette.

MNR. VAN WYK WORD WEER MATIE

Mnr. van Wyk studeer tans weer op Stellenbosch waar hy werk aan sy M-graad in Opvoedkunde. Ons hoop en vertrou dat sy studies suksesvol sal verloop en dat hy al uitsien om volgende jaar weer by ons terug te wees.

Hy het al by ons kom inloer - en moes selfs kom uithelp by ons atletiekkleurbyeenkoms. Hy was baie in sy skik met ons pragtige vertoning by die driehoekige Ko-ed byeenkoms. Ons dank ook aan Mev van Wyk wat die trofeë by ons eie byeenkoms kom oorhandig het.

MR. DE WAAL TAKES OVER

In the absence of Mr van Wyk, Mr de Waal has had to take over the reigns as principal.

This task Mr de Waal, with the assistance of the staff and pupils, has handled very capably and we hope that everyone will give him the necessary support for the rest of the year.

This is Mr de Waal's last year at Maitland High and we hope it will be a memorable one.
Good luck to him!!

MNR. VAN SCHALKWYK

During the course of last year Mr van Schalkwyk was involved in a car accident which proved worse than we thought. Due to several internal injuries he has been on sick leave since the 4th term of last year.

MNR. OOSTHUIZEN, 'n baie bekwame wiskunde onderwyser, het gelukkig kom uithelp en dadelik die personeel en leerlinge beïndruk met sy stil, vriendelike persoonlikheid. Ons was regtig jammer toe hy ons moes verlaat.

MRS TREDOUX joined the staff of M.H.S. at the beginning of this year to teach in the place of Mr van Schalkwyk. Unfortunately she has to leave us on Friday as Mr van Schalkwyk resumes his duties next term. We thank her for all the good work she has done for Maitland High.

FLITSBERIG/FLASH

Mnr. Oosthuizen kom volgende kwartaal weer uithelp in die plek van Mej. Olivier wat 'n ernstige beenbreuk opgedoen het en eers teen einde April weer die skool kan bywoon. Ons sien uit om hom weer by ons te hê.

MEJ OLIVIER

Graag wil ons langs hierdie weg vir Juf. Olivier vinnige beterskap toewens en ons hoop dat sy gou weer "op die been" sal wees!

A GLANCE AT 1972 'N TERUGBLIK

THE DEBATING SOCIETY

Kenny Kotze (Head Boy of 1972) and Beatrix Janse van Rensburg (Head Girl of 1972) were elected as Chairman and Secretary of the 1972 Debating Society. There was a committee of six: Marius Mostert, Roger Gladwell, André Bester, Suzette Kemp, Carol le Grange, Alwyn Geldenhuys. Our first topic was: "Is the youth of South Africa degenerating?" Those who supported the motion were André Bester, Suzette Kemp and Beatrix Janse van Rensburg, and those who opposed the meeting were Wynand Loubser, Trevor Sykes and Carol le Grange. A Speech contest was also held and this proved most popular.

This year André Bester was elected as Chairman and Carol le Grange as Secretary. The Committee members are Suzette Kemp, Wynand Loubser, Alwyn Geldenhuys, Denise Buckley, Mary Allan, Sandra Booysens.

The debate that was held on Friday, the 23rd of March, 1973 was well-attended and proved very successful. The topic was "Is it a waste of time and money for a girl to study further after the Matriculation Examination?" Those who supported the motion were Sandra Booysens, Hilda Milward and Muriel Crous, and those who opposed the motion were Monica Jonker, Rene Bester and Maeva Gladwell. A short concert was held after the Debate and tea and cake were served.

Our thanks to Miss Potgieter for making this possible.

One of the highlights of 1972 was our visit to the R.S.A., the stout little research ship. The keel of the ship was laid down in the ship-building yards of Osaka on 4th April, 1961 and when construction was completed the R.S.A. was accepted and signed for on 30th November 1961. The small ice-breaker has given her country sterling service, sailing through heaving oceans menaced by deadly ice-bergs, taking men South to build research stations at Sanae on the continental ice-shelf. Captain McNish lectured to pupils of the school and illustrated the points he made by means of slides which showed the brilliant colours of Antartica. Another highlight was a visit to Milnerton High School to see a new version of "Macbeth" called "The Butcher's Bad Dream." It was a modern version and the pupils sat in petrified silence as they followed the mental agony experienced by Macbeth.

SPORT

Ook op die sportveld was 1972 geskiedkundig. Ons eerste rugbyspan het wel nie altyd die mas opgekom nie, maar is ook hier geskiedenis gemaak. Gert Vorster was naamlik opgeneem in die W.P. skole rugbyspan wat aan die Cravenweek deelgeneem het. Dit was die eerste keer dat ons 'n verteenwoordiger in die span het. Hy het ook op plegtige wyse die W.P. baadjie voor die hele skool ontvang en aangetrek - Geluk Gert!

Ons het in 1972 ook begin sokker speel op die "Maitland Public School" se veld - dus nog geskiedenis! Dit was slegs op vrienskaplike basis, maar almal het ernstige, konstriktiewe spel gelewer en baie goed gevaar. Carlo Cammisa was dan ook gekies om die W.P. skole O.16 sokkerspan te verteenwoordig en hy het dit op pragtige wyse gedoen.

Op atletiek gebied - nog geskiedenis! Vir die eerste keer in jare wen ons toe die Groottotaalbeker en dit met twee punte meer as Ysterplaat! Die uitslag is beklink met die laaste aflos van die dag, meer senutergend kon dit nie geëindig het nie. Gert Vorster en Wynand Loubser was ook opgeneem

ʼn TERUGBLIK (vervolg)

in die W.P. Skiereilandatletiekspan wat aan die W.P. Juniorbyeenkoms deelgeneem het.

Ons dogters het ook nie op hulle laat wag nie en slaag daarin om die Ko-ed netbalskild nog ʼn slag te verower. Ons wens Mev. Louw en haar eerste netbalspan geluk en sukses vir 1973 waar hulle in die eersteliga sal speel. Dit blyk dus dat 1972 ʼn besondere goeie sportjaar was. Ons hoop dat almal vanjaar daarop sal voorthou.

Ons het ook ʼn baie geslaagde winterloop gehad. Hierdie keer het omtrent twee-derdes van die skool getal leerlinge die 40 km aangedurf. Vir baie was dit ʼn bietjie te ver, maar ʼn groot getal leerlinge het laat die middag die afstand voltooi. Selfs ʼn paar van die onderwysers/esse het deelgeneem en gehelp waar hulle kon. Ons het ʼn mooi bedraggie geld kon insamel wat gebruik word om skoolgeriewe te verbeter bv. stoele vir die saal ens.

By die prysuitdeling aan die einde van die jaar was die vernaamste pryswenners.

Leierskap: B. Janse van Rensburg

Veels geluk aan hierdie leerlinge!

Vox Leonis wens alle leerlinge en personeel sukses toe vir 1973

Have a wonderful and happy 1973.

THE S.C.A.

1972 was a very successful year for the S.C.A. We studied the parables that Jesus told and we had plays acted by various classes. We had come combined meetings with the C.S.V. at which various speakers addressed us. We welcomed Dominee Steenkamp to our school again and also Mr Pietie Victor and his helpers from the Coffee Bar in Bree Street in town. Four of our senior girls attended a 'Fun and Games' evening at Queen's Park High. It was most enjoyable. Five of our Standard Nine girls attended an Inter-school's Camp at Elgin. Basil Heald attended a yachting camp at Hermanus. Three Standard Nine S.C.A. teachers attended a meeting at Pineland's High School to give a report on the work of the third term of 1972.

1973 has started off very well for our S.C.A. We had a combined meeting with the C.S.V. at the beginning of the term at which Peter Holgate kindly came to show us a film on Inter-school Camps called 'Happiness is a Holiday'.

Two other speakers came to speak to us, namely: (1) George van Straaten, who taught us how to sing by praising God and he told us that 'Music is God's world'. (2) Brian Helsby brought us a dynamic message about Christianity and told us about modern life and its problems and temptations. We also saw a film called 'Head in the Sand.' We have done some memory work and singing and for the future we plan to study the lives of the prophets.

We have already given a report, at Pineland's High School this term, of the work that we did during the fourth term last year and we told them about our plans for this term. Some of the Standard Ten pupils arranged a camp with Oude Molen Technical Boy's High School, which was very successful. Four of our S.C.A. members also attended an inspiring talk and a film at Queen's Park High School.

"Will it live?"

IN THE DOCK

by PHILIP STODEL 10E

As I stood in the dock, I was aware of two people only. They were Jerry Salter, my lawyer, and Terence Oldham, Ricki's father. I sensed, rather than heard, the jeering of the old ladies in the court-room. I assumed that they were scoffing at me. I could not really blame them, but still, I felt a rising anger within me. Had they nothing better to do than to watch a man being convicted? I was certain that the events of the incident had added twenty years to my appearance. Suddenly, my mind was flooded with memories of the nightmare of the past two months. I saw again my photographs splashed on the front page of all the newspapers. And then the boy. Rickie Oldham. Only six years old! How happy he looked.

*****

My name is George Burkes. I am forty-eight years old. My wife, Julie, died tragically in a train smash four years ago. I have a fourteen year old son, Paul, and am managing director of Cobbler's, a shoe factory. I have everything I need, and have accepted the loss of my wife, and am, therefore, a happy man. Every evening after dinner, I take Coo-Tup, my Basset hound, for a walk.

It was two months ago that my nightmare began. Until my neighbours, Terence and Joy Oldham, moved in next door to us a year ago, I had never seen a boy as lively, happy and jolly as their son, Ricki. He was a typical boy. Mischievous! My fruit trees were never safe. All the same, I liked that family. One evening, upon returning from my stroll, I saw Ricki playing in the street. Jock Adams, who lives across the street, is always in a hurry. I saw him drive up to his front gate, leap out of his car, and run inside. He's car started rolling backwards. Ricki did not see the car coming towards him. I yelled to him, but my voice was drowned by the sound of lorry roaring past. I ran towards Ricki and tried to grab him. I tripped and fell against him. His head hit the pavement, and, with horror, I saw his skull crack open like a nut. Blood spurted from his head and drenched his clothes as well as mine. I did not have to look at him to see that he was dead. I fainted.

****

I gripped the cold, iron, hand-rail of the dock. Cold sweat beaded the nape of my neck as I waited for the judge's verdict. Although my lawyer had fought a brilliant battle, and I had pleaded not guilty, I was certain I would not escape. My head throbbed. I heard the judge's monotone, "I hereby sentence George Arthur Burkes to thirty years' hard labour, guilty of .....", and for the first time since Julie's death, I broke down.

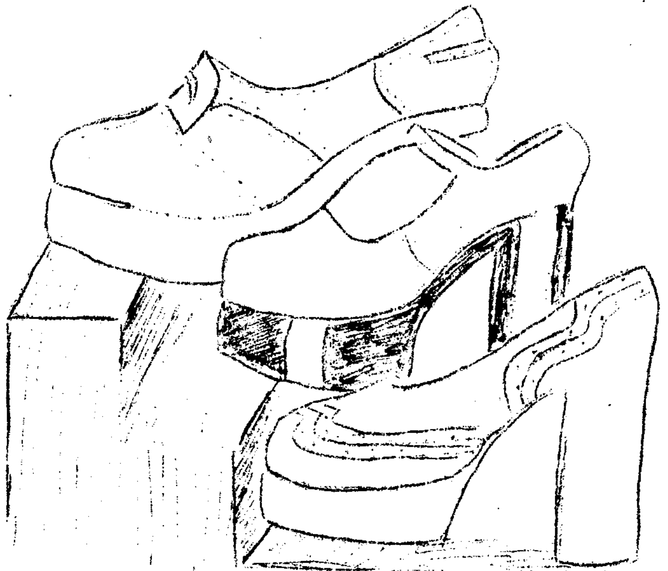
WINTER WALKING



For Winter walking the stomping shoe has returned to more sensible proportions.

We now have solid high heels with fashionably styled platforms to keep the chill from paving cold stones.

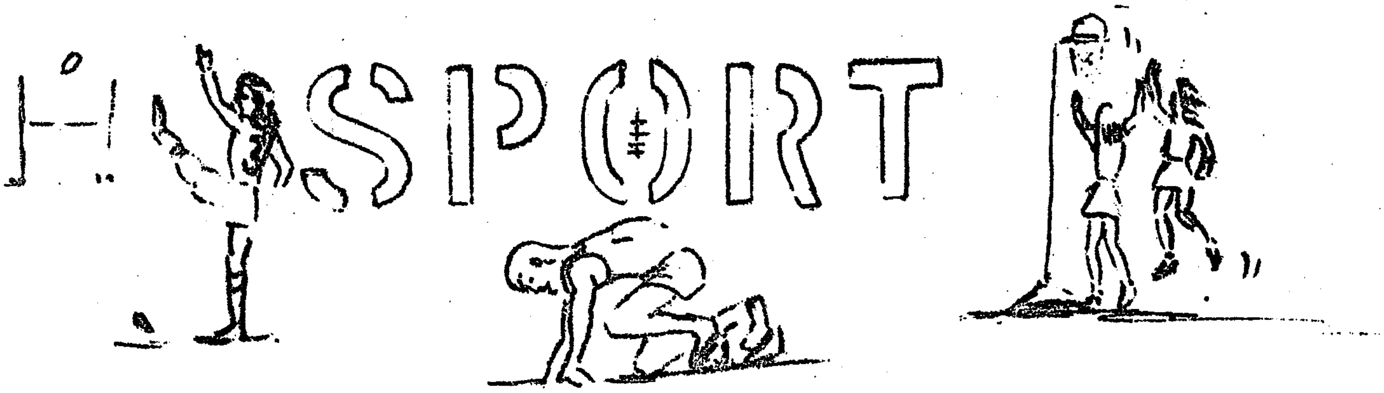
Iets lekker van oorskiet-vleis (souttert)

1½ koppie melk
1 koppie gerasperde kaas
1 koppie gerasperde uie
2 eiers

3 koppies oorskiet vleis of "corned beef"
1 teelepeltjie mostert
1 teelepeltjie neut
sout na smaak.

METODE

Kook melk en haal af van stoof. Maak vleis fyn en voeg by melk. Kook dit weer saam vir 'n minuut. Haal af van stoof en voeg geklitste eiers by. Voeg al die bestandele by, maar voeg die uie laaste by. Meng goed. Skep in twee pastei-bakke, uitgevoer met read-doe deeg. Bak in oond van 350° tot gaar.



ATLETIEK

KO-ED

(vervolg van voorblad)

Soos ons reeds gesê het, het ons jaarlikse kragmeting op 9 Maart op ons veld plaasgevind. Vir die eerste keer in hulle bestaan, het Bosmansdam Hoërskool aan 'n atletiekbyeenkoms deelgeneem en almal verbaas deur die sangbeker te verower - iets wat hulle werklik verdien het. Dit voospel mooi dinge vir die toekoms!

All our athletes did very well and in some events we even made clean sweeps. Who can forget little Denise Procter brilliantly finishing in the 800 m Girls Open event, followed home by Maria Geldenhuys and Loma Crous?!

Daar was baie pragtige nommers om na te kyk en atlete soos Wynand, Loma, Gert, Toekie, Maria, Miemie, Anthony, Karin en Eric en nog baie ander het uistekende prestasies ingeryg.

CUP WINNERS / BEKERWENNERS

U13	Maitland	O16	Ysterplaat
U14	Maitland	OPE	Maitland
U15	Maitland	TOTAAL	Maitland.

Thanks for your support from the stand without the encouragement of the rest of the school the athletes could not have done so well. Thanks to all our coaches, helpers, parents, officials and especially our two neighbouring schools for making the day such a success and for the keen sense of sportmanship which prevailed throughout the day.

The best of luck with your winter sports!

COLOUR SPORTS

Ons kleursport is gehou op 23 Februarie en was 'n groot sukses ondanks die kwaai wind wat heeldag in die pylvak afgewaai het. Daar is toe ook besluit om geen rekords in die 100 m toe te ken nie aangesien ongelooflike tye in dié nommer opgestel is.

In spite of all this, many records were broken in both field and track events and a high standard of athletics was seen. Mr van Wyk paid us a visit as an official for the day and Mrs van Wyk handed the cups over to the top teams and athletes of the day.

Die byeenkoms is gewen deur Groen met Blou tweede en Rooi derde. Die seunsbeker is gewen deur Blou terwyl Rooi en Groen die dogtersbeker moes deel.

We thank everyone for a most enjoyable day especially our matrics like

Wynand, Gert, Raemay, Paul, Ray and all the others who have done so much for the athletics of M.H.S. We shall surely miss you all next year!

W.P. Schools Meeting

By die W.P. skiereiland kampioenskappe wat op 3 Maart te Groenpunt gehou is het ons atlete puik vertoon.

Gertjie Hartman won the U.17 long jump titel and Miemie Wolmarans the U.16 discus. Gert Vorster managed a second place in the long jump U.19.

Hierdie drie atlete is toe ook opgeneem in die W.P. skiereilandspan wat in die Paarl gaan deelneem het. Hier het slegs Gert Vorster nog ŉ tweede plek kon behaal, maar nogtans geluk met die prestasie julle drie ons is trots op julle.

Neville Swart, 2nd in the U.14 long jump; Karin du Toit, 2nd U.13 100 m and Wynand Loubser and Brian Fish, who qualified for the U.19 sprints, were the other of our athletes to do well in Green Point but the climax of the day was right at the last event of the day.

Dit was met die laaste aflos van die dag. Ons O.19 span bestaande uit Gert, Wynand, Gertjie en Brian loop toe skoon onder hulle teenstanders uit en wen met drie treë. Hulle wentyd het die rekord geëwenaar – en dit teen 5,45, voorwaar ŉ puik prestasie!

IN DIE NUUS / IN THE NEWS

Ons wens Leoni de Roubaix en Louis van Rensburg, albei oudleerlinge van ons skool hartlik geluk met hulle verlowing.

Ons wens Huibrecht Janse van Rensburg hartlik geluk met haar huwelik.

Ons wens Dries Janse van Rensburg en sy vroutjie Rina (Giani) altwee oudleerlinge van ons skool, geluk met hul eersteling. Dit was ŉ seuntjie.

Ons heet Dr. Malcolm de Roubaix en sy vroutjie Marie, albei oudleerlinge van ons skool, welkom terug in die Kaap en ons wens Dr. de Roubaix voorspoed toe met sy verdere studies.

Ons innige simpatie met die skielike afsterwe van Lionel en Carol Fialo se vader, albei oudleerlinge van ons skool.

Potjie van Jaarsveld, oud-leerling van 1966, was lid van die Gazelle rugbyspan wat Argintinië verlede jaar besoek het. Hy is vanjaar kaptein van Unie-Milnerton rugbyklub en ons verwag groot dinge van hom.

We are very pleased with the progress of Raphael Dunn who is in Conradie Hospital and we hope to watch him play a soccer match in the near future.
